

Friends of the Canal Fulton Public Library

The Friends of the Library will have a booth at the Community Day at Northwest High School on March 15th from 1 to 4 p.m.

Census Day - April 1st, 2020

Every 10 years since 1790 the United States has held a census to gather the statistics on the distribution of the US population. One of the most vital uses for this data is to determine the amount of federal funding to give to different regions of the country. Public computers and assistance are available for those wishing to complete the census at the Canal Fulton Public Library!

Technology News

Canal Fulton Memory Project: The Canal Fulton Public Library is excited to announce that the Canal Fulton Memory Project Website is now available to the public! With 2020 marking the 50th anniversary of the christening of The St Helena II, this is a fantastic time to honor Canal Fulton's unique history. This website is designed to allow members of the community to view and even contribute historical information about Canal Fulton and its surrounding areas.

Please type the following address below into your browser to visit the project's website: wiki.canalfultonlibrary.org

Staff highlight:

Kayla: I began working at the Canal Fulton Public Library in October 2016, part time at the front desk. In June 2017, I began working full time in the Interlibrary Loan Department. Outside of work, I spend my time hanging out with my niece and nephew. I also spend a lot of time with my parents and younger sister. Recently, we got our first dog, so most of my free time is spent training him. I love Disney, reading romance books, and hanging out with my friends.

LOST AND FOUND~ Check out our Lost and Found Display items, are you missing a sock, key or sunglasses? The library may have them!
