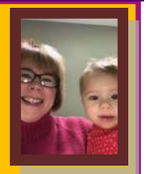
Staff Highlight: Patti Studer



Hello! You might have seen me here at the circulation desk, especially if you come in on Monday or Tuesday nights. I also work some Fridays or Saturdays. I was a teacher for many years before coming to the library. I had decided that I didn't want to work full-time anymore, but still wanted to do something to keep busy. My daughter said, "You know you've always wanted to work in a library." She was right and I was so lucky to get this job. I love the people I work with, the patrons, and the books! What could be better? One reason I wanted to leave my full-time job was so that I could spend more time with my little granddaughter. Other things I enjoy doing in my spare time are reading, biking, and hiking.
